RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL

**SUBJECT: AOR 1996-47**

Dear Sirs:

I was a big fan of Ross Perot. I was a volunteer in Perot 1992 and worked with United We Stand America until Perot decided to start the Reform Party.

At that time, I realized that the Reform Party would meet the same fate as United We Stand America and become a wholly owned subsidiary of Perot Inc. Perot directs his paid staff with an iron fist, then claims they are "volunteers", and that the Reform Party (or whatever organization he is heading that week) is owned by the people. These lies must stop.

The FEC now has the opportunity to place the Reform Party into the hands of true grassroots/volunteer leaders by **recognizing the National Reform Party Steering Committee.**

Your consideration in this matter is deeply appreciated.

Sincerely,

Paul Hutchison
